Subject: Threshold Increase for Federal Expenditures

The attached PDF file contains the United States Department of Agriculture's (USDA's) Federal Register Notice amending departmental regulations at 7 CFR Part 3052, in order to reflect the Office of Management and Budget's (OMB's) last revision of Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. That revision consisted of raising the dollar threshold for requiring an A-133 audit from \$300,000 worth of Federal expenditures to \$500,000. With the attached Notice, USDA's implementing regulations have caught up with OMB's circular.

If you have questions, please contact the Office of Child Nutrition and School Health for technical assistance at (775) 687-7289.
